Air Force Active Duty support and representation:

The Post-9/11 GI bill, 100% replacement for damaged household goods, local AFSA Chapter support for your spouse and family during deployment -- All AFSA successes! AFSA supports your family as you support our country. **AFSA argued on behalf of the Post-9/11 GI Bill and transferability benefits.** We are proud that both have been implemented and we will continue to argue on your behalf for more changes.

ANG and AFRC unique military concerns:

AFSA is *your* organization. We work for the programs and services *you* need. AFSA succeeded in authorizing TRICARE standard for gray area Guard and Reserve members. AFSA is working towards lowering the age for receipt of retired pay from 60 to 55 and activating your TRICARE coverage 180 days vs. 90 days prior to deployment.
